

Leader of the Quarter **Bertie Barber** Immunizations Program

Bertie has been selected by the Executive Leadership Team at DOH-Seminole as the Leader of the Quarter. Bertie is an exceptional team leader as demonstrated by the leadership of her team in the Immunizations Program and as the Accreditation Team Leader for the agency. Bertie provides the necessary tools for her team to be successful and openly communicates with her team to assess further needs. Furthermore, Bertie celebrates her team's successes and promotes team spirit. She is to be commended for her exceptional leadership and dedication during the accreditation process as Accreditation Team Leader. Bertie performed above and beyond expectations working tirelessly to complete the project. She displays the same level of dedication and leadership in all of her tasks, including successfully coordinating the annual Back-to-School events. **Bertie is a face of Public Health!**
